

في هذا الفايل نضع امام القراء خلاصة مختصرة بالامثلة على الدعم المشترك لحد التطابق بين دعم مار باباي ودعم القائمة 740 بشكل لا يمكن معه ان تكون مجرد صدفة!!
ولا يمكن معه تصديق الادعاءات الرسمية البروتوكولية بان الزوعا والقائمة 740 ليس لها علاقة بقضية مار باباي وخلافه مع الكنيسة.
طبعا حقيقة هذا التطابق معروفة لشعبنا وخاصة في الولايات المتحدة، ومع ذلك فيمكن معرفتها بمجرد الدخول والانتقال من غرفة دعم 740 وغرفة دعم مار باباي ومشاهدة التطابق بين اشخاص الغرفتين ومواقفهم

ملاحظة: الغينا عبارات التاييد المختصرة مثل (نعم) (امين) او رفع الايدي التي تاتي من المشاركين في الغرفة تاييدا لاقوال المتحدث بدعم مار باباي او الزوعا او الاساءة الى اخرين لانها قد تكون تاييدات مبهمة للقارئ ما دام لا يقرأها بالتوازي مع سماع اللحديث.. على اية حال فان قراءة متانية ومركزة للنص الكامل لكتابات البالتاك توضح انها تاتي تاييدا لمار باباي او الزوعا او الاساءة الى اخرين).

خلاصة البالتاك يوم 23 تشرين الثاني 2005
